Chapter 11

Case No. 20-11563 ()

(Joint Administration Pending)

**DEBTORS' MOTION FOR AN ORDER AUTHORIZING
(i) DEBTORS TO PAY CERTAIN PREPETITION TAXES,
GOVERNMENTAL ASSESSMENTS AND FEES AND
(ii) FINANCIAL INSTITUTIONS TO HONOR AND
PROCESS RELATED CHECKS AND TRANSFERS**

Grupo Aeroméxico, S.A.B. de C.V. (“**Grupo Aeroméxico**”) and its affiliates that are debtors and debtors in possession in these proceedings (collectively, the “**Debtors**”; the Debtors collectively with their direct and indirect non-Debtor subsidiaries, the “**Company**” or “**Aeroméxico**”) hereby move (this “**Motion**”) this Court (as defined herein) for entry of interim and final orders, substantially in the forms attached hereto as

¹ The Debtors in these cases, along with each Debtor’s registration number in the applicable jurisdiction, are as follows: Grupo Aeroméxico, S.A.B. de C.V. 286676; Aerovías de México, S.A. de C.V. 108984; Aerolitoral, S.A. de C.V. 217315; Aerovías Empresa de Cargo, S.A. de C.V. 437094-1. The Debtors’ corporate headquarters is located at Paseo de la Reforma No. 243, piso 25 Colonia Cuauhtémoc, Mexico City, C.P. 06500.

Exhibit A and **Exhibit B** (the “**Interim Order**” and the “**Final Order**”, respectively), granting the relief described below. In support thereof, the Debtors refer to the contemporaneously-filed *Declaration of Ricardo Javier Sánchez Baker in Support of the Debtors’ Chapter 11 Petitions and First Day Pleadings* (the “**Sánchez Declaration**”) and further represent as follows:

Jurisdiction and Venue

1. The United States Bankruptcy Court for the Southern District of New York (the “Court”) has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the Amended Standing Order of Reference M-431, dated January 31, 2012 (Preska, C.J.). This is a core proceeding pursuant to 28 U.S.C. § 157(b) and, pursuant to Rule 7008 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), the Debtors consent to entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter a final order or judgment consistent with Article III of the United States Constitution. Venue is proper before the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

Background

2. On the date hereof (the “**Petition Date**”), the Debtors each commenced with this Court a voluntary case under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. To date, the United States Trustee for the Southern District of New York (the “**U.S. Trustee**”) has not appointed a statutory committee of creditors in these chapter 11 cases, nor has the Court appointed a trustee or examiner therein.

3. Contemporaneously herewith, the Debtors have filed a motion requesting joint administration of their chapter 11 cases pursuant to Bankruptcy Rule 1015(b).

4. The Debtors and their direct and indirect subsidiaries constitute the largest airline in Mexico and are collectively known as Mexico's "global airline", providing public air carrier services for passengers and goods (including fleet and cargo services) in and outside of Mexico, and services related to such air operations. The Debtors are one of the four founding members of the SkyTeam airline alliance, and their businesses include Aeroméxico, Aeroméxico Connect, Aeroméxico Cargo and Aeroméxico Servicios. Additional information about the Debtors' businesses and affairs, capital structure and prepetition indebtedness and the events leading up to the Petition Date can be found in the Sánchez Declaration, filed contemporaneously herewith.

Relief Requested

5. By this Motion, pursuant to sections 105(a), 363(b), 507(a) of the Bankruptcy Code, Bankruptcy Rules 6003 and 6004 and 541(d), and Rule 9013-1 of the Local Bankruptcy Rules for the Southern District of New York (the "**Local Rules**"), the Debtors request entry of an Interim Order and a Final Order, authorizing, but not directing, the Debtors to pay certain taxes and business license, compliance and regulatory fees (as further described below, the "**Taxes and Fees**") to various foreign, federal, state, county and city taxing, licensing and regulatory authorities (the "**Governmental Authorities**"), whether asserted before, on or after the Petition Date, and without prejudice to the Debtors' rights to contest the amounts of any Taxes and Fees on any grounds available under applicable law. The Debtors also respectfully request that

the Interim Order and the Final Order (a) authorize and direct all applicable banks and other financial institutions (collectively, the “**Banks**”) to receive, process, honor and pay any and all checks, drafts and other forms of payment, including fund transfers, on account of the Taxes and Fees, whether such checks or other requests were submitted before, on or after the Petition Date; (b) authorize the Banks to rely on the representations of the Debtors as to which checks and fund transfers are subject to this Motion, *provided* that no Bank shall have any liability to any party for relying on such representations; (c) prohibit the Banks from placing any holds on, or attempting to reverse, any automatic transfers on account of the Taxes and Fees; and (d) authorize the Debtors to issue new post-petition checks or effect new post-petition fund transfers to replace any checks, drafts and other forms of payment, which may be dishonored or rejected and to reimburse any expenses that may be incurred as a result of any Bank’s failure to honor a prepetition check or other form of payment.

6. By seeking the authorization requested herein, it should not be presumed that the Debtors have determined, as of this time, which of the Taxes and Fees they will pay or honor, nor should any party rely on this Motion as to any specific tax or fee.

The Debtors’ Taxes and Fees

7. In the ordinary course of business, the Debtors collect and incur various Taxes and Fees, including income taxes, VAT and sales taxes, and Airline Taxes and Fees (as defined below), among other taxes. The Debtors remit the Taxes and Fees to

Governmental Authorities, a nonexclusive list of which is attached hereto as **Exhibit C** (the “**Governmental Authorities List**”).²

8. In addition to the more generally applicable Taxes and Fees, the Debtors collect, incur and remit several taxes and fees attributable to their operations as an international airline (the “**Airline Taxes and Fees**”). The Airline Taxes and Fees include: (a) customs, immigration and security fees (including the Mexican Tourism Tax (DNI)); (b) taxes and fees assessed for flying over, or landing in, a particular jurisdiction (including Servicios a la Navegación en el Espacio Aéreo Mexicano (“**SENEAM**”) fees which are incurred when operating within Mexican airspace) and (c) national tourism taxes related to education and social welfare initiatives.

9. The Debtors believe that many of the Taxes and Fees collected prepetition are not property of the Debtors’ estates and must for that reason be turned over to the Governmental Authorities. To the extent that they are not actually the property of the Governmental Authorities, they may well give rise to priority claims and personal liability.

10. Moreover, the Debtors also seek to pay prepetition Taxes and Fees in order to forestall Governmental Authorities from taking actions that might interfere with the Debtors’ successful reorganization, including restricting the Debtors’ principal activities (such as requesting advance payments for any Airlines Taxes and Fees, as defined below) or blocking the receipt or renewal of permits required for the Debtors’

² Although the Governmental Authorities List is substantially complete, and the Debtors have exercised their reasonable best efforts, the Debtors request the relief be made applicable to all Governmental Authorities, and not solely to those listed on the Governmental Authorities List.

continued operations or possibly bringing personal liability actions against directors, officers and other employees in connection with non-payment of Taxes and Fees, among other possible Governmental Authority actions. Actions against the Debtors' directors, officers and other employees would likely distract key personnel, whose full-time attention to the Debtors' reorganization efforts is required, and would likely cause potential business disruptions. Any such business disruptions would likely erode the Debtors' customer base and negatively impact these chapter 11 cases. Accordingly, the Debtors submit that the proposed relief is in the best interest of the Debtors' estates.

11. The Debtors anticipate that they will be obligated to pay approximately \$13.7 million in Taxes and Fees (the “**Interim Taxes and Fees Cap**”) in the first thirty (30) days following the Petition Date. An estimate of the Taxes and Fees owed in excess of the Interim Taxes and Fees Cap will be set forth in a supplement to this Motion to be filed no later than fourteen (14) days before the hearing on the Final Order.

Relief Requested Should Be Granted

A. Payment of the Taxes and Fees Is Appropriate Under the Doctrine of Necessity

12. Section 105(a) of the Bankruptcy Code empowers the Court to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a). A bankruptcy court's use of its equitable powers to “authorize the payment of pre-petition debt when such payment is needed to facilitate the rehabilitation of the debtor is not a novel concept.” *In re Ionosphere Clubs, Inc.*, 98 B.R. 174, 175 (Bankr. S.D.N.Y. 1989). “Under Section 105, the court can permit pre-plan payment of a pre-petition obligation when essential to the continued operation of the

debtor.” *In re NVR L.P.*, 147 B.R. 126, 127 (Bankr. E.D. Va. 1992) (citing *Ionosphere Clubs*, 98 B.R. at 177).

13. In a long line of well-established cases, federal courts have consistently permitted postpetition payment of prepetition obligations where necessary to preserve or enhance the value of a debtor’s estate for the benefit of all creditors. *See, e.g., Miltenberger v. Logansport Ry. Co.*, 106 U.S. 286, 312 (1882) (permitting payment of pre-receivership claim prior to reorganization to prevent “stoppage of [crucial] business relations”); *Mich. Bureau of Workers’ Disability Comp. v. Chateaugay Corp. (In re Chateaugay Corp.)*, 80 B.R. 279, 285–86 (S.D.N.Y. 1987) (affirming order authorizing payment of prepetition wages, salaries, expenses and benefits).

14. This doctrine of “necessity” functions in a chapter 11 reorganization as a mechanism by which the bankruptcy court can exercise its equitable power to allow payment of critical prepetition claims not explicitly authorized by the Bankruptcy Code. *See In re Boston & Me. Corp.*, 634 F.2d 1359, 1382 (1st Cir. 1980) (recognizing existence of judicial power to authorize trustees to pay claims for goods and services that are indispensably necessary to debtors’ continued operation). The doctrine is frequently invoked early in a reorganization, particularly in connection with those chapter 11 sections that relate to payment of prepetition claims. Accordingly, pursuant to section 105(a) of the Bankruptcy Code, this Court is empowered to grant the relief requested herein.

B. Certain of the Prepetition Taxes and Fees Are Not Property of the Debtors' Estates

15. Section 541(d) of the Bankruptcy Code provides, in relevant part, that “[p]roperty in which the debtor holds, as of the commencement of the case, only legal title and not an equitable interest . . . becomes property of the estate under subsection (a)(1) or (2) of this section only to the extent of the debtor’s legal title to such property, but not to the extent of any equitable interest in such property that the debtor does not hold.” 11 U.S.C. § 541(d).

16. Certain of the Taxes and Fees are “trust fund” taxes, which the Debtors are required to collect and hold in trust for the Governmental Authorities. *See, e.g.*, I.R.C. § 7501 (stating that certain Taxes and Fees are held in trust). As such, these Taxes and Fees are not property of the Debtors’ estates under section 541 of the Bankruptcy Code. *See, e.g., Begier, Jr. v. IRS*, 496 U.S. 53 (1990) (stating that certain taxes are property held by debtor in trust for another and, as such, are not property of debtor’s estate); *DeChiaro v. N.Y. State Tax Comm’n*, 760 F.2d 432, 433–34 (2d Cir. 1985) (concluding that sales taxes are “trust fund” taxes); *Al Copeland Enter., Inc. v. Texas (In re Al Copeland Enter., Inc.)*, 991 F.2d 233, 235–37 (5th Cir. 1993) (holding that debtors’ prepetition collection of sales taxes and interest thereon were held subject to trust and were not property of the estate); *Texas Comptroller of Pub. Accounts v. Megafoods Stores, Inc. (In re Megafood Stores, Inc.)*, 163 F.3d 1063, 1067–69 (9th Cir. 1998) (determining that under Texas law, state sales taxes collected created statutory trust fund, if traceable, and were not property of the estate); *Shank v. Wash. State Dept. of Revenue, Excise Tax Div. (In re Shank)*, 792 F.2d 829, 830 (9th Cir. 1986) (concluding that sales

taxes required by state law to be collected by sellers from their customers are “trust fund” taxes); *In re Am. Int’l Airways, Inc.*, 70 B.R. 102, 103 (Bankr. E.D. Pa. 1987) (holding that excise and withholding taxes are “trust fund” taxes); *Shipley Co. v. Darr (In re Tap, Inc.)*, 52 B.R. 271, 277 (Bankr. D. Mass. 1985) (finding that certain taxes are “trust fund” taxes). *See generally Official Comm. of Unsecured Creditors of the Columbia Gas Transmission Corp. v. Columbia Gas Sys. Inc. (In re Columbia Gas Sys. Inc.)*, 997 F.2d 1039, 1060 (3d Cir. 1993) (indicating that even if the statute does not establish an express trust, a constructive trust may be found). Since these funds are not property of the Debtors’ estates, they are not available for the satisfaction of creditors’ claims. Accordingly, the Debtors request the Court authorize payment of the Taxes and Fees to the applicable Governmental Authorities as they come due.

C. Payment of Certain of the Taxes and Fees Is Appropriate under Bankruptcy Code Section 507(a)(8)

17. Claims for some or all of the Taxes and Fees owed by the Debtors are entitled to priority status under section 507(a)(8) of the Bankruptcy Code. As priority claims, those portions of Taxes and Fees must be paid in full before any general unsecured obligations of the Debtors can be satisfied. Payment of the Taxes and Fees will also save the Debtors potential interest expense, legal expense and penalties that might otherwise accrue on, or be incurred in connection with, such Taxes and Fees.

18. The Debtors believe that sufficient assets will exist to pay all priority Taxes and Fees in full under any plan of reorganization that may ultimately be proposed and confirmed by this Court. Accordingly, to the extent the collected taxes are property of the Debtors and give rise to priority claims, the relief requested will only affect the

timing of the payment of these priority Taxes and Fees and will not prejudice the rights of general unsecured creditors.

19. Section 507(a)(8) of the Bankruptcy Code grants priority status to unsecured claims of governmental units for (a) taxes on or measured by income or gross receipts for a taxable year ending on or before the Petition Date, for which a return, if required, is last due after three years before the Petition Date, and, which is assessed within 240 days on or before the Petition Date, *see* 11 U.S.C. § 507(a)(8)(A); (b) property taxes incurred before the Petition Date, *see* 11 U.S.C. § 507(a)(8)(B); and (c) taxes required to be collected or withheld and for which the debtor is liable in whatever capacity, *see* 11 U.S.C. § 507(a)(8)(C).

20. In this respect, it should be noted that obligations labeled as “fees” or “charges” may also be entitled to priority status as taxes. *See* 11 U.S.C. § 507(a)(8). A fee or charge is a tax if it is an involuntary pecuniary burden: (i) laid upon the individual or their property, (ii) imposed by or under authority of a legislative body, (iii) assumed for public purposes, including the purposes of defraying expenses of government or undertakings authorized by it and (iv) assessed under the police or taxing power of the state. *See LTV Steel Co. v. Shalala (In re Chateaugay Corp.)*, 53 F.3d 478, 498 (2d Cir. 1995). Taxes owed to a foreign state are similarly entitled to priority status. *See* 11 U.S.C. §§ 507(a)(8) and 101(27). Substantially all of the Taxes and Fees are involuntary pecuniary burdens imposed by the authority of a foreign, federal, state or local legislature under its police or taxing power. As a result, many of the claims in respect of the Taxes and Fees would qualify for priority status under Bankruptcy Code section 507(a)(8) even

if styled “fees” or “charges.” Those claims also must be paid in full before any general unsecured obligations of a debtor may be satisfied.

21. Thus, payment of the Taxes and Fees will likely give the Governmental Authorities no more than that to which they would otherwise be entitled under a chapter 11 plan. The payment of these Taxes and Fees amounts to a timing issue and will not prejudice the rights of the general unsecured creditors of these estates. Moreover, payment will save the Debtors potential interest expense, legal expense and penalties that otherwise might accrue on, or be incurred in connection with, the Taxes and Fees.

D. Non-Payment of Certain Taxes and Fees Would Cause Immediate and Irreparable Harm to the Debtors’ Estates

22. Many foreign, federal and state statutes hold certain directors, officers and other employees of entities responsible for collecting taxes, or remitting certain taxes, personally liable for these types of taxes. To the extent such Taxes and Fees were incurred by the Debtors before the Petition Date and are not remitted or paid by the Debtors, certain of the Debtors’ directors, officers and other employees may be subject to lawsuits during the pendency of these chapter 11 cases. Payment of the Taxes and Fees will avoid director and employee loss of focus and morale resulting from the risk of personal liability. A lawsuit and any ensuing liability would distract personnel from important tasks, to the detriment of all parties in interest in these chapter 11 cases. The dedicated and active participation of the Debtors’ directors, officers and other employees is not only integral to the Debtors’ continued, uninterrupted operations, but is also essential to their successful reorganization.

23. Payment of certain of the prepetition Taxes and Fees is critical to the Debtors' continued, uninterrupted operations and to avoid immediate and irreparable harm to the Debtors' estates. Non-payment of the Taxes and Fees may cause certain Governmental Authorities to take precipitous action, including but not limited to conducting audits, filing liens, pursuing payment of Taxes and Fees from the Debtors' directors, officers and other employees, and seeking to lift the automatic stay, any of which would disrupt the Debtors' day-to-day operations and could potentially impose significant costs and burdens on the Debtors' estates, including restricting or prohibiting the company to even perform its daily operations by claiming payment of the Airline Taxes and Fees, such as SENEAM, prior to the departure of aircrafts from any Mexican airport. Prompt payment of the Taxes and Fees will avoid these unnecessary and potentially costly governmental actions. *See In re FCC*, 217 F.3d 125, 137 (2d Cir. 2000). Accordingly, to the extent the relief requested herein involves the use of property of the estate and Bankruptcy Rule 6003 is applicable, the requested relief is consistent with such Rule because failure to pay the Taxes and Fees would cause immediate and irreparable harm to the Debtors.

E. Substantial Precedent Exists for Authorizing Payment of Prepetition Taxes

24. In numerous chapter 11 cases in this and other districts, courts have authorized debtors to pay similar prepetition tax obligations. *See, e.g., In re Avianca Holdings S.A.*, Case No. 20-11133 (MG) (Bankr. S.D.N.Y. June 9, 2020) [Docket No. 253]; *In re LATAM Airlines Group S.A.*, Case No. 20-11254 (Bankr. S.D.N.Y. June 2, 2020) [Docket No. 84]; *In re Synergy Pharm. Inc.*, Case No. 18-14010 (JLG) (Bankr.

S.D.N.Y. January 23, 2019) [Docket No. 257]; *In re Waypoint Leasing Holdings Ltd.*, Case No. 18-13648 (SMB) (Bankr. S.D.N.Y. Dec. 19, 2018) [Docket No. 128]; *In re Aegean Marine Petroleum Network Inc.*, Case No. 18-13374 (MEW) (Bankr. S.D.N.Y. Dec. 6, 2018) [Docket No 154]; *In re Sears Holding Corp.*, Case No. 18- 23538 (RDD) (Bankr. S.D.N.Y. Oct. 16, 2018) [Docket No. 116]; *In re Aralez Pharm. US Inc.*, Case No. 18-12425 (MG) (Bankr. S.D.N.Y. Aug. 14, 2018) [Docket No. 38]. The Debtors submit that the circumstances described herein warrant similar relief.

25. Section 363(b)(1) of the Bankruptcy Code empowers the Court to allow the debtor to “use, sell, or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1). Debtors’ decisions to use, sell or lease assets outside the ordinary course of business must be based upon the sound business judgment of the debtor. *See In re Chateaugay Corp.*, 973 F.2d 141, 143 (2d Cir. 1992) (holding that a judge deciding a section 363(b) application must find from the evidence presented before him or her a good business reason to grant such application); *see also Comm. of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.)*, 722 F.2d 1063, 1071 (2d Cir. 1983); *In re Global Crossing Ltd.*, 295 B.R. 726, 743 (Bankr. S.D.N.Y. 2003); *In re Ionosphere Clubs, Inc.*, 100 B.R. 670, 675 (Bankr. S.D.N.Y. 1989) (noting the standard for determining a section 363(b) motion is “a good business reason”).

26. The business judgment rule is satisfied “when the following elements are present: (1) a business decision, (2) disinterestedness, (3) due care, (4) good faith, and (5) according to some courts and commentators, no abuse of discretion or waste of corporate assets.” *Official Comm. of Subordinated Bondholders v. Integrated Res., Inc.*

(*In re Integrated Res., Inc.*), 147 B.R. 650, 656 (S.D.N.Y. 1992), *appeal dismissed*, 3 F.3d 49 (2d Cir. 1993) (internal quotations omitted). In fact, “[w]here the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor’s conduct.” *Comm. of Asbestos-Related Litigants and/or Creditors v. Johns-Manville Corp.* (*In re Johns-Manville Corp.*), 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986). Courts in this district have consistently and appropriately been loath to interfere with corporate decisions absent a showing of bad faith, self-interest or gross negligence, and will uphold a board’s decisions as long as they are attributable to any “rational business purpose.” *In re Integrated Res. Inc.*, 147 B.R. at 656.

27. The Debtors submit that to the extent the use of property of the estate is implicated here, the actions for which relief is requested represent a sound exercise of the Debtors’ business judgment and are justified under section 363(b), as well as under section 105(a), of the Bankruptcy Code. As noted above, if the Taxes and Fees are not paid, Governmental Authorities could take actions that could be costly and distracting to the Debtors and interfere with the Debtors’ ability to successfully reorganize, which would negatively affect all of the creditors, employees and other affected parties. Moreover, because certain of the Taxes and Fees either (i) are “trust fund” taxes held in the separate accounts, and are therefore not property of the Debtors’ estates, or (ii) would be afforded priority status under section 507(a)(8) of the Bankruptcy Code, the Debtors’ general unsecured creditors would not be prejudiced by the Court’s granting of the relief requested herein.

F. Applicable Financial Institutions Should Be Authorized to Honor and Process Related Checks and Transfers

28. The Debtors also request that all applicable banks and other financial institutions be authorized to (a) receive, process, honor and pay all checks presented for payment of, and to honor all fund transfer requests made by the Debtors related to, the claims that the Debtors request authority to pay in this Motion, regardless of whether the checks were presented or fund transfer requests were submitted before, on or after the Petition Date and (b) rely on the Debtors' designation of any particular check as approved by order of the Court.

Debtors Have Satisfied Bankruptcy Rule 6003(b)

29. Bankruptcy Rule 6003(b) provides that, to the extent relief is necessary to avoid immediate and irreparable harm, a bankruptcy court may issue an order granting "a motion to use, sell, lease, or otherwise incur an obligation regarding property of the estate, including a motion to pay all or part of a claim that arose before the filing of the petition" within twenty-one (21) days of filing a petition. Irreparable harm "is a continuing harm which cannot be adequately redressed by final relief on the merits and for which money damages cannot provide adequate compensation." *Kamerling v. Massanari*, 295 F.3d 206, 214 (2d Cir. 2002) (internal quotations omitted). The "harm must be shown to be actual and imminent, not remote or speculative." *Id.*

30. As set forth above, the relief requested herein is essential to prevent irreparable damage to the Debtors' operations and going-concern value. Accordingly, the Debtors submit that the relief requested herein is necessary to avoid immediate and irreparable harm, and that Bankruptcy Rule 6003(b) is satisfied.

Request for Waiver of Stay

31. To implement the foregoing successfully, the Debtors request that the Court find that notice of the Motion is adequate under Bankruptcy Rule 6004(a) and waive the fourteen (14) day stay of an order authorizing the use, sale or lease of property under Bankruptcy Rule 6004(h). As explained above and in the Sánchez Declaration, the relief requested herein is necessary to avoid immediate and irreparable harm to the Debtors. Accordingly, ample cause exists to find the notice requirements of Bankruptcy Rule 6004(a) have been satisfied and to grant a waiver of the fourteen (14) day stay imposed by Bankruptcy Rule 6004(h), to the extent the notice requirement and stay apply.

Notice

32. Notice of this Motion will be provided to (a) the U.S. Trustee, (b) each of the Debtors' 30 largest unsecured creditors on a consolidated basis, (c) each of the Debtors' five largest secured creditors on a consolidated basis, (d) the Internal Revenue Service, (e) the United States Attorney's Office for the Southern District of New York, (f) any party that has requested notice pursuant to Bankruptcy Rule 2002 (collectively, the "**Notice Parties**"). A copy of this Motion and any order approving it will also be made available on the Debtors' Case Information Website located at <https://dm.epiq11.com/aeromexico>. In light of the nature of the relief requested in this Motion, the Debtors respectfully submit that no further notice is necessary.

Reservation of Rights

33. Nothing contained herein or any action taken pursuant to such relief is intended or shall be construed as (a) an admission as to the validity or priority of any claim against the Debtors; (b) a waiver of the Debtors' or any appropriate party in

interest's rights to dispute the amount of, basis for or validity of any claim against the Debtors; (c) a waiver of any claims or causes of action which may exist against any creditor or interest holders; or (d) an approval, assumption, adoption or rejection of any agreement, contract, lease, program or policy between the Debtors and any third party under section 365 of the Bankruptcy Code. Likewise, if the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended to be and should not be construed as an admission as to the validity or priority of any claim or a waiver of the Debtors' rights to subsequently dispute such claim.

No Previous Request

34. No previous request for the relief sought herein has been made by the Debtors to this or any other court.

[Remainder of Page Intentionally Left Blank]

WHEREFORE, the Debtors respectfully request that the Court enter the proposed forms of order, substantially in the forms attached hereto, granting the relief requested herein and such other and further relief as the Court deems just and proper.
